

MEMORANDUM OF UNDERSTANDING

INTRODUCTION

Smart Infr-EST is a trust with a mission to build and nurture the leadership minds by connecting people around opportunities. The main activities of this trust are community building, project incubation, conducting technical events, award ceremonies, conferences, seminars, competitions and skill development programmes for training people technically. At Smart Infr-EST, some of the best minds in Civil Engineering are at work to help improve the excellence and professionalism in Civil Engineering.

Maturi Venkata Subba Rao Engineering College is an engineering college established by Matrusri Education Society in 1981 under the affiliation of Osmania University. The MVSR Engineering College follows a vision to impart technical education of the highest standards, producing technically competent, confident and socially responsible engineers from its campus

PURPOSE

This Memorandum of Understanding sets for the terms between Smart Infrastructural Engineering Services Trust (Smart Infr-EST) and MVSR Engineering College to collaborate and create an ecosystem for students to showcase leadership qualities, improve fellowship among Civil Engineers (Students, Academicians and Corporates), elevate Civil Engineering standards and nurture innovative ideas.

Smart Infr-EST and MVSR Engineering College are hereinafter individually referred to as 'party', and collectively as parties'

MAJOR GOALS

1. To develop minds by conducting exclusive programs at the college campus.
2. To facilitate mass participation and registrations
3. To conduct Faculty Development Workshop and Student Development Programs
4. To provide career guidance and assistance in internships and placements for the students
5. To cultivate entrepreneurship by incubating ideas.
6. To bridge the corporate-academia gap.
