### Closing Remarks

The Aanvik 2019 was organized on 13<sup>th</sup> and 14<sup>th</sup> of March 2019. This year it was decided to conduct 27 events covering technical and semi technical events such as Paper Presentation, Poster Presentation, Project Expo, Tech - O- Fun, Robo Maze etc.

It is a matter pride that around 650 participants registered for various events. Approximately 75 registrations came from participants of various institutions across Hyderabad. As many times the metric for the success of any event is the number of registrations, it can be assumed the Aanvik 2019 has been succesfull. The success of Aanvik 2019 is due to the efforts of many and thanks are due to all of them.
