Event Report

Department of IT (ITSA) organized a two-day technical fest- 'InforIThm 2k18' held on March 28th and 29th 2018. The festival was aimed at providing a platform for the student community to develop and showcase their technical progress. Students from different disciplines were participated in all the technical and non-technical events.

The event was inaugurated by our chief guest Dr.PV.Sudha, Associate Professor, CSE Dept, Osmania University and presided by the speech of Dr.Ch.Samson, HOD IT Dept, MVSREC. It was followed by the speech of Mr.V.Ashwini Kumar, Associate Professor, IT Dept and ITSA Faculty coordinator A.V.Vahini, Assistant Professor, IT Dept. All the dignitaries addressed the students by delightful and inspiring words.

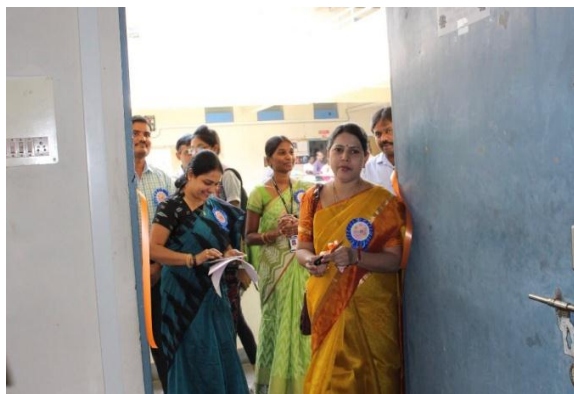

Technical Events:

Paper Presentation: The main attraction of the tech fest was the Paper Presentation. InforIThm provided the perfect platform to showcase the ideas and come out into lime light. Students from all branches were allowed to showcase their research work and public speaking skills. The students were encouraged to prepare a presentation and unleash the speaker in them.

Poster Presentation: InforIThm provided a session in a belief that it is a good way to disseminate work. This event is for all students who love to promote their projects in innovative way rather than general oral presentation.

Code O' Logic: Code O' Logic, a C/C++ coding event. The aim of the event was to test the programming skills of participants along with speed, debugging and encoding. It comprised of three rounds. This event provided platform for all the programming lovers to analyze their programming skills and know their position where they stand when compared to others.

Gamathon: Come. Compete. Conquer the world of gaming. InforITHm organized many gaming events which included CS GO, FIFA, NFS, DOTA2, God of War and many more. Many rounds were conducted to decide the winners and awarded them for their performances.

Business Idea Presentation & JAM:

Who knows, one idea might really change someone's life. Inforithm has organized Idea Presentation to the students who feel their ideas are worth changing life of people. JAM is conducted for students to improve their communication skills. InforITHm provided the platform for the introverts and shy students to take initiative and speak on the topic for a minute. In this context condensing the entire essence precisely in their minds and speaking only the relevant aspects within a minute also matters a lot.

TekQuiz: Quiz was basically an aptitude cum technical based platform to test the participants on their knowledge in a large number of general and technical topics. Event was conducted with a motto of “know what is what of today's technological world is...”. Huge number of participants got registered in this event to showcase their knowledge.

It was a time-bound activity and the house that would gather all the clues and reach their goal first would be declared the winner. Each clue was in the form of a riddle and the students thoroughly savored decoding the hints. In the end it was a treat to watch the winners find the treasure with huge smiles on their faces. Participants were tested their detective skills.

Mock Interview: InforIThm provided a platform to all the students by conducting Mock Interview conducted by TEAM Institute to train and apprise students about employment opportunities and selection process to various corporate companies. The mentor will take the participants through typical questions asked in various tests. It comprised of a written test followed by a personal interview. The students utilized this event as a good opportunity to enter the job market. They made use of this opportunity to become a precursor to campus recruitment where various organizations visit the college to recruit bright engineers to work for them.

Finally, the event came to an end. Valedictory speech was given by ITSA faculty coordinator following a speech by Vice Principal S.G.S. Murthy, MVSREC. HOD of IT Dept. and Vice-Principal gave cash prizes and certificates to the merit students of all the events.

TEAM – ITSA

We as the active members of ITSA pledge to work collectively for the betterment of our Student Association.
