

## M .Bhargava Chandra

Name: M .Bhargava Chandra  
Designation: Assistant Professor,  
Department: Mechanical Engineering,  
Qualification: M.TECH (Energy Systems),  
Pursuing Ph.D. at JNTUH  
Experience: Industry: 05 year  
Teaching: 07 years  
Subjects handled:

- Metrology and surface engineering
- Refrigeration and Air Conditioning.
- Heat Transfer.
- Power plant Engineering.
- Engineering Mechanics
- Engineering Graphics.
- Heat Transfer Lab.
- Renewable Energy Sources
- Fluid mechanics and Hydraulic Machines lab.
- MOS Lab.
- Engineering workshop.

Workshops and Faculty development Programs attended: 12

### **PAPERS PRESENTED IN NATIONAL CONFERENCES:**

- **M. Bhargava Chandra**, A. Syam Prasad, *Enhanced heat transfer of a viscous fluid via heat exchanger using wire loop tube inserts*, **International Journal of Engineering Research( IJRET)** – vol.5, Feb, 2016
- **M. Bhargava Chandra** , *Heat transfer enhancement using wireloop tube inserts in an oil cooler-an experimental study-RIME-2014.*
