

REPORT on
2-Day National Seminar
On
Recent Trends in Material Research for Science and
Engineering Applications (RTMRSEA-2019)

A 2-day National Seminar on “Recent Trends in Material Research for Science and Engineering Applications (RTMRSEA-2019)” was organized by the faculty of Physics and Chemistry during 20-21 December, 2018. The objective of the seminar was to converge various ideas of distinguished personalities as well as budding researchers in the field of material science and thereby creating a platform for synergy of new ideas. Dr.A.R.Subrahmanyam, Head, Department of Applied Sciences was the Convener and Dr.V.Geeta, Dr.D.Rekha were the Co-Conveners of the program

The seminar started with an inaugural function on December 20th. Prof. CH.VenkataRamandevi, Dean, Faculty of Sciences, Osmania University was the Chief Guest and Dr.T.Raghu, Outstanding Scientist ‘H’, DMRL was the Guest of Honor. The Guests addressed the gathering emphasizing the importance of Research in Science for advancement in Today’s Technology. Sri.M.V.Vasudeva Rao, Treasurer, MEC and Prof.S.G.S.Murthy, Vice-Principal, MVSREC also addressed the gathering. There were 90 participants who registered for the program. A Souvenir of Abstracts was released in the inaugural wherein 47 abstracts were presented.

The technical sessions followed the inaugural wherein Prof. Naresh Patwari from IIT Bombay delivered the key note address. The other invited speakers were Dr.Malobika Karanjai, SC ‘F’ from ARCI, Dr.Pramod H.Borse, SC ‘F’ from ARCI and Prof. CH.Subramaniam from IIT Hyderabad. There were oral presentations from the participants in each Technical Session after the invited talk. The program concluded with the valedictory where in the Vice-Principal gave the concluding remarks and suggestions to the participants.
